

Graduation Transitions 12

Interview

Early in the first semester you will need to make an appointment with one of our administrators: Mr. Axelson or Ms. Arbuckle or Mr. Hollett. for your GT interview

During the interview you will be expected to talk about your future plans for school, work and career explorations (your plans after high school). This interview will be a casual conversation where you describe your plans for the future and share your high school experiences.

Be prepared to provide thoughtful responses and talk about yourself in the following areas:

- Give a snap shot about who you are (interests, hobbies, skills, strengths, accomplishments)
- Describe your personal / learning goals (short and long term)
- Explain how you plan to reach your personal / learning goals
