WORKSHOP

SUPPORT
FOR PARENTS
AND CARERS

Supporting Families After a Mental Health Crisis

"Hearing from other parents who have navigated these challenges themselves, was a real gift. The information was practical, but it also seemed more believable because it came from experienced parents. I wanted to BELIEVE that things would be OK, and that I will find a way to support my daughter. The workshop gave me this belief."

TOPICS INCLUDE:

- How to support a safety plan at home
- How to take care of yourself and family after a crisis
- How to find the resources you need

Offered monthly for B.C. families. Free but registration required.

A sensitive and patient family.

As A Homestay Host You Can Expect To...

- Grow in your understanding of the world and its peoples
- Make life-long friendships
- Share the beauty of your home and community
- Ensure your local economy benefits from the booming international education industry
- Receive a generous allowance to offset expenses

International Students Who Live With Canadian Families

- Learn language and Canadian culture in a healthy, caring environment
- Get a positive introduction to Canadian family life, which encourages many to apply for permanent residency after graduation
- Become valuable future partners in trade, political relations and global leadership
- Bring a broader world-view to their communities back home

"Make an international student's Canadian experience truly unforgettable by becoming a homestay family"
