Work Experience

Work Experience packages will become available in October. If your student has a job and can work a minimum of 100 hours before May 30th, they can sign up for a Work Experience block to earn credits towards their graduation.

As we near the end of the second week of school, there has been a lot of busing confusion and issues, some of them surrounding whether a student is registered for a bus or not. I am sorry for all the inconvenience and changes, some of it has been beyond anyone's control.

The decision has been made to allow all students to continue boarding the buses in the morning and the afternoon for the month of September. All students will be able to board the bus to get to school and home without any issues. Once October comes, we will focus on narrowing down the riders who do not have bus registrations submitted.

Until then, I hope that this provides some relief to everyone. If you have any questions, please reach out to me at Michelle.Abercrombie@cmsd.bc.ca.

Host Homes Needed

Our school district will be welcoming students from Brazil January 18th- July 1st as a part of our International Student Program. Our international students will be attending Caledonia and we are needing host families to host them. If your family or if you know other families interested in opening their homes to these students, please reach out to Joe Dominguez @ joe.dominguez@cmsd.bc.ca. This is an excellent opportunity to share our culture and learn about other cultures at the same time. It is also a great way for families to build relationships with students/people from all over the world. Check out our International Student Program website at [Coast Mountain School District 82 – International Students Program – “Coast Mountains School District: creating opportunities for learning, opportunities for life” \(cmsd.bc.ca\)](http://Coast Mountain School District 82 – International Students Program – “Coast Mountains School District: creating opportunities for learning, opportunities for life” (cmsd.bc.ca)). If you are interested in hosting, please go to [Homestay Host Application Process – Coast Mountain School District 82 – International Students Program \(cmsd.bc.ca\)](http://Homestay Host Application Process – Coast Mountain School District 82 – International Students Program (cmsd.bc.ca)) to learn about the homestay program and how to become a homestay host for all international students that will be coming to our school district.

CALEDONIA PAC

Well, it is time to mark your calendar for the first meeting for another PAC year.
Oct 10, 2023, at 7 pm in Cal library.

... for the 2023/2024 school year PAC will be looking for the following positions to be filled: Chair - Vice Chair -
Treasurer-
Secretary-
Gaming person-
(These positions must be filled at the Oct 10th meeting)

If these positions are not filled in the 2023/2024 school year. PAC will fold. I am willing to do Treasurer for one last year (my son will be graduating). But if someone else would be willing to take it on, I can help them out for this final year, and I would be willing to do the gaming person position.

CAL PAC does not do any fundraising. Only the teams/ music/ musical/grad/clubs all apply for gaming event licenses for fundraising. PAC holds that gaming license. If there is no PAC all these groups would have to find another way to fundraise. And if there is no PAC this year gaming grant funds (approximately \$9000 yearly) will have to be sent back to the government, and these funds will not go out to teams looking for help paying for new uniforms, or for new clubs starting, etc.

(Another note: PAC only has 6 meetings during the whole school year)

Attendance

Please contact the school at 250-635-6531 or e-mail at cal@cmsd.bc.ca if your child is going to be absent from school.

Pizza Friday

Starting Friday September 15th every Friday will be pizza Friday as a fundraiser for our Physics Club. Stop by the canteen to get yours. Slices are \$2.50 each.

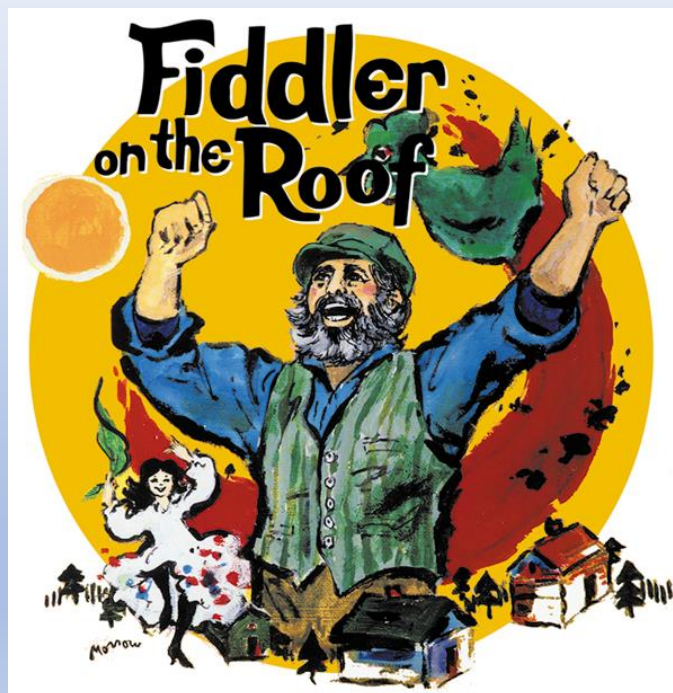

Parent Meet and Greet for Dual Credit students is September 19th @ 7 -7:30 pm in the Cal library.

Musical Theatre

Auditions for Caledonia Performing Arts production of Fiddler on the Roof have begun. Students should see Mr. Wojdak asap if they are interested in auditioning. I'll attach a picture if you need to fill up some space.

Open House – Meet the Teacher Night

Come and join us on September 21 from 5:00 – 6:00 in the Caledonia Gym for our Meet the Teacher Night. We are looking forward to seeing you there.
