2024-2025 Course Selection

All grade 10 and grade 11 students should have returned their course selection sheets to their counsellor before Spring Break. If your teen has not done so, please check out our school website for more information or have your teen go see their counsellor.

If you or anyone in your family have extra Save On Foods reusable bags like the one pictured below, the Starfish Program would love to have them. Clean bags in excellent condition can be dropped off at Caledonia Secondary School during regular school hours.

Many students across the province rely on school breakfast and lunch programs to fill their tummies on school days. When it comes to the weekend, they don't have the food they need. Starfish Pack was designed to help change that. Starfish provides packs of two breakfasts, two lunches, two dinners and snacks to hungry students each weekend of the school year.
