Why Encourage Your Children and Teens to Attend School Each Day?

It is More Important Than Many People Think

We all know that attending school is critical to students' success in their classes.

But did you know that helping your children and teens attend school does much, much more?

- ▶ By attending school regularly, your children are learning to plan and follow routines, which can help students feel more secure, confident, and competent.
- ▶ Getting into the practice of arriving at school on-time is building lifelong skills. It helps develop good habits that children and teens can use throughout their education, into their careers, and throughout their lives.
- ▶ Making an effort to arrive at school on-time each day improves students' organizational skills. It helps students think about ...
 - how they can prepare ahead (such as getting organized the night before).
 - how important it is to go to bed on time, so they can get up in the morning feeling ready for the day.
 - time management -- paying attention to the clock and planning how long it will take to complete their morning routine.

What can you do?

- ▶ Talk to your children and teens about the importance of regular attendance and arriving on time
- ▶ Set a reasonable bed time and check to make sure everyone is getting up in time each morning
- ▶ Help your children plan to have things ready ahead (such as organizing back packs and lunches the night before)

Our lives get busy and it is sometimes hard to stay on top of everything we have to do.

But helping your children and teens learn how to attend school regularly and on time will have positive and lasting benefits.

And it might make mornings a little less stressful for you, as well.

There will be a PAC Meeting on Tuesday December 3 @ 7:00 in the Caledonia Library. All parents/guardians are welcome to attend.

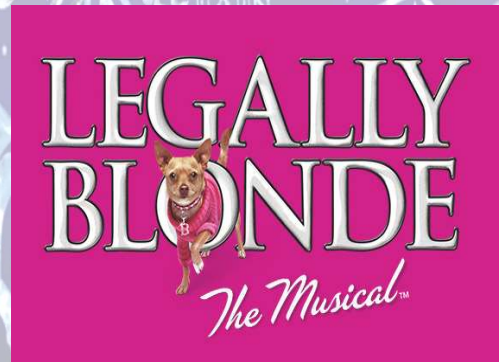

Both our Jr. & Sr. Boys Basketball teams will be playing in Prince Rupert this weekend.

Scholarship Update

Grade 12 students who are considering applying for scholarships are reminded to check the Caledonia Scholarship Team on a regular basis.

Many post-secondary institutions have been posting entrance scholarship information. The Caledonia Scholarship Committee has been posting any information they receive on Teams. However, students should check the websites of any school they are interested in attending as deadlines and criteria vary school to school.

For any student interested in being Caledonia's nominee for the following scholarships: BC Excellence, Cmolik, and Schulich Leadership, applications are due to the office by Friday December 13 at 3:30pm. No lates will be accepted. Websites, criteria, and application process details have been posted on Teams.
