GRADUATES OF 2024-2025

It's that time of year! Please submit your baby pictures for the yearbook to the office labeled "Grad Baby Photos" folder in an envelope with your first and last name attached OR send it to the QR code below.

Photos will be accepted until January 31st.

Your pictures will be returned unscathed.

Scholarship Update

The Scholarship Committee has been posting regular updates on Teams. Students should be using their school credentials to login, not their personal email. The Committee posts scholarship opportunities on Teams as they receive them as well as any future meeting dates. There is a video posted of the information session from October. It provides an overview of the scholarship processes for the year. Interested students are reminded to submit their "Student Information Forms" by Friday. Printable versions are on Teams, and paper copies are in the office.

COORDINATOR NAME

Family Smart

My name is Peggy Sowa, and I work with FamilySmart through the Integrated Children and Youth team. My role with the ICY Team is to support the parents and caregivers of children and youth who may be dealing with Mental Health and or substance use concerns. Family Peer Support Workers help children and young people by helping their families and other caring adults. We know children and young people do better when the adults who care about them are supported. We can help parents and caregivers by offering support. We can help by offering support, we can help with navigating local resources, and online resources such as FamilySmarts monthly "In The Know Events". As we are a non-profit organization there is no charge. There are wait times, my services are free. We can meet in person, connect via video conference, text or telephone.

The link below directs you to a short two-minute video and offers more insight into my role as a Family Peer Support Worker;

Caledonia Boys Soccer

The north-west zone boy's soccer season wrapped up this weekend with an unusual three-way tie between AA teams from Charles Hayes, Smithers and Caledonia Secondary schools. Caledonia's team played hard, in these low scoring games. It was great to see the boys' excellent sportsmanship and sense of community, as players on all three teams have played together on regional development teams over the past several years.

The three teams each finished the zone championship games with one win and one loss in round robin play - and only a single goal separating the winner in each match (1-0, 3-2, 2-1). To determine the final zone representative, teams went into shoot-out competition. Prince Rupert was the final winner of the zone and will be advancing to the AA provincial tournament in Richmond in two weeks.

Thanks to coaches Paul Hanna, Brian Correia and Duncan Stewart for their support and instruction over the past 8 weeks.
