Grad Fees and Forms

The Grad 2026 information letter and forms were e-mailed home earlier this week and posted on the Caledonia Website under the Grad Information Menu. We also have the letter and forms available in the office for anyone who needs them.

Bussing

If a student is riding the bus and has not received a student transportation pass, then they are not registered. Drivers are alerting students that they are not registered also. Drivers have been instructed to alert students and always pick them up in the morning. However, by October 23rd, unregistered students may be left at the school at the end of the day. This is a last resort, and we sincerely hope that this will not happen.
