## Homework Requests

When students are absent from school for more than a couple of days, it is up to the students to contact their teachers either through Teams or e-mail for any work that is being missed. If they are only away for one day, students are to connect with their teacher upon their return to school to make arrangements for the missed work to be completed.

A list of staff e-mails can be found on the Caledonia Website. For those teachers that use Teams, the students will have the login information.

## Containers Needed

The foods department is seeking clean containers with lids for students to be able to take their food with them at the end of class. If you have any clean cottage cheese, sour cream, yogurt, or plastic take out containers, we'd be happy to re-purpose them! They can be dropped off at the office or the foods room 116.

Thank you from Mrs. Buhr and Mrs. Korving!

## Scholarships

Thank you to all students who applied for local Caledonia scholarships. Application packages were due to the office by Thursday March 12th. No late applications will be accepted. The Caledonia Scholarship Committee has started to process applications. If the Committee needs more information from a student, they will contact them through Teams. Students are reminded to check Teams regularly for messages and external scholarship opportunities.

If you have any questions or if you are interested in starting a scholarship, please feel free to email [caledoniascholarships@cmsd.bc.ca](mailto:caledoniascholarships@cmsd.bc.ca).
