News Release
December 19, 2019

ANNOUNCEMENT

The Board of Education for Coast Mountains School District 82 at its In Camera Board Meeting held yesterday afternoon, December 18, 2019 passed the following motion:

THAT the 2020-2021 Principal and Vice Principal Assignments remain status quo as of January 6, 2020 except in the event of resignations, retirements or other emergent situations as determined by the Acting Superintendent of Schools.

In an effort to formalize the school district's processes related to Principal and Vice Principal re-assignments, and in light of several recommendations by Independent Consultant Dianne Turner, the Board of Education has rescinded the one-year transition plan as passed at the June 26, 2019 In Camera Board Meeting.

Specifically, the aforementioned motion rescinds the transition plan to re-assign Principals and Vice Principals for the 2020-2021 school year.

In the future, Principal and Vice Principal re-assignments will be conducted using a Change Management Protocol, which will be collaborative, consultative in structure, and as transparent as possible.

The Board of Education values the strength and dedication of all employees in the school district and looks forward to engaging and working together with all of our communities in the school district towards continued student success.

Janet Meyer
Acting Superintendent of Schools
